

IsoTek® | MOSAIC

THE SUM IS GREATER

A new series of compact power cleaning systems that deliver cutting edge performance in an elegant half rack width format. Mosaic balances ultimate power conditioning, voltage stabilisation and mains sine wave generation in a series of components that you can select to suit all of your audio or audio-visual system needs.

Create your own clean power solution. Choose from the Mosaic Centuri, innovative voltage stabilisation, or the Mosaic Genesis, a hybrid conditioner combining IsoTek's ultimate sine wave generation as well as high-current circuits.

Add the Mosaic Titan to further increase high-current performance with IsoTek's award-winning Direct-Coupled® technology. Individual pieces that combine to create perfectly arranged solutions – that's IsoTek Mosaic.

YOUR SYSTEM VALUE

£12,500 - £50,000

MOSAIC GENESIS

The Mosaic Genesis is a hybridised version of IsoTek's Ultimate series. Combining the extremely low THD sine wave generation engine from Genesis and a lighter version of Super Titan's Direct-Coupled® conditioning network, it delivers the perfect balance between power and performance.

- Removes both Common Mode and Differential Mode mains noise.
- Medium power: (three outlets provide new sine wave generation) exceeds 85dB of noise reduction, extending to zero Hz. High current: (two outlets) offers extremely low-impedance and RFI reduction of 75dB [50 ohms standard].
- 99,000A progressive protection circuit.
- Internal wiring; solid core silver plated PCOCC with FEP virtually an air dielectric.
- 150W of totally clean power for front-end components (three outlets) combined with 4600W (230V @ 20A) for large power amplifiers and mono blocks (two outlets). Combining a single cell mains sine wave generator cell from Genesis combined with a light version of the unique Direct-Coupled® conditioning network of Mosaic Titan.
- Available with UK, EU, US, Australian, Swiss and South African outlets.
- Supplied with IsoTek EVO3 Premier power cable.

“Perhaps the ultimate hybrid power conditioning system ever created. The Mosaic Genesis offers extremely low THD sine wave generation combined with a lighter version of IsoTek's Direct-Coupled® high-current circuit.”
