

REAVON UBR-X110

4K UHD Dolby Vision SACD Blu-ray Player

999€

This universal disc player has been elaborately engineered for the ideal disc playback. The UBR-X110 features extremely rigid construction to achieve high S/N ratio for quality audio and video performance. With support for the spectacular Ultra HD Blu-ray™ format, you can enjoy the beautiful experience with four times the resolution of 1080p Full HD. The UBR-X110 is compatible with the latest Dolby Vision® format that provides a stunning HDR imaging technology with extraordinary color, contrast, and brightness to the screen. Other features include SDR/HDR Preset Mode, SACD/DSD compatibility and dual HDMI output terminals.

Main features

- Universal Disc Player - Ultra HD Blu-ray, Blu-ray, DVD, DVD Audio, CD
- BD-Live/BONUSVIEW
- HDR10
- Dolby Vision
- 36-bit Deep Colour/"x.v.Colour"
- Dual HDMI Output
